Highlight Itineraries

SPAIN, MOROCCO & PORTUGAL DISCOVERY

Bolette • 15 nights • 2nd October 2027 • Sails from Newcastle

Enjoy a compelling contrast of cultures, with the warmth of the October sun as your backdrop. Morocco brings vibrant colours, spice markets and lively medinas, balanced by the comfort of exploring by ship. In Casablanca, the ornate Hassan II Mosque rises beside the Atlantic, while Tangier reveals its character through winding Kasbah lanes, whitewashed streets and tiled courtyards.

The cultural blend continues in Melilla, where elegant promenades and a rich collection of Art Deco architecture reflect its position between Europe and North Africa. In Gibraltar, cable car rides to the summit of the Rock bring far-reaching views and the chance to see its famous Barbary macaques, before Matosinhos places you within reach of Porto for Douro boat trips and Port wine tasting.

ADRIATIC COASTLINES & CULTURES

Balmoral • 12 nights • 2nd November 2027 • Sails from Piraeus

Taking in six countries across the Adriatic and eastern Mediterranean, this journey blends scenic cruising with lesser-known destinations rich in natural charm. Sailing the narrow St Anthony's Channel - accessible only to smaller ships - and the fjord-like Bay of Kotor reveals ever-changing coastal scenery. Ashore, guests can discover Koper's cobbled streets and hidden squares, and the well-preserved walls of Dubrovnik's Old Town. In Kotor, winding lanes and tucked-away courtyards lead to views across the bay, and in Šibenik, the harbourfront is ideal for a relaxed wander. A maiden call to Taranto reveals a quieter side of Puglia, where historic port life meets local traditions, while Sarandë invites gentle waterfront strolls.
