ROCKY MOUNTAIN

Welcome to Rocky Mountaineer

For over 30 years, Rocky Mountaineer has welcomed guests from around the world to experience luxury rail journeys and see some of the most spectacular scenery North America has to offer. Their world-renowned trains travel from April to October only by daylight in Western Canada and the American Southwest, offering breath-taking views of the Canadian Rockies and red rock landscapes.

A Day Onboard

From the moment you step onboard the spacious glass-dome coach, relaxation flows over you as you recline and sink into your cosy seat. The friendly hosts greet you, and a buzz of excitement fills the air.

Before long, you enjoy your first meal of the day which is inspired by the region in which you are travelling through. You savour every bite and it leaves you with a warm glow of satisfaction as you take in the breath-taking scenery. Then, just when you thought you could not get any closer to nature, you visit the outdoor viewing area, step into the crisp fresh air, and take it all in.

You fully immerse yourself in the experience, gazing at extraordinary views and losing all sense of time as you dive into conversation with fellow travellers and your host team. Then, you and your travelling companions, old and new, sit for your next meal. As each delicious course is served, your host shares the history of the rail route and region, giving you an even greater appreciation for everything you see.

You continue meandering through natural wonders, with a drink in hand, as the sun starts to set. But the enjoyment continues as you are transported to your hotel, where you rest for the evening. As you lay down, you reminisce over the perfect day that is just about to end, and you can't wait to see what wonders tomorrow brings.

SILVERLEAF

Silver Leaf Service gives you a comfortably elegant way to experience our rail routes. With delicious cuisine served right at your seat, expansive windows and engaging hosts who bring the scenery to life with rich storytelling, you get to sit back, relax and journey in style.

GOLDLEAF

Choose Gold Leaf Service and relax in a bi-level glass-dome coach featuring expansive panoramic windows that ensure you do not miss a thing. Enjoy an exclusive dining room on the lower level where the hosts serve you gourmet meals. Plus, step out onto a large outdoor viewing platform that brings you closer to nature's splendours.

FRANCE WITH BORDEAUX & THE RIVER SEINE

Balmoral • 9 nights • 19th July 2027 • Sails from Southampton

Rich culture, striking landscapes and summertime warmth await on this exploration of France. Two days in Bordeaux set the scene, with smaller-sized Balmoral able to dock in the city centre, placing you among elegant boulevards, riverside wine bars and within reach of Médoc's vineyards and Grand Cru estates. Saint-Malo tempts with walks along ancient ramparts and seafood fresh from the old walled town, while in Honfleur you can wander cobbled lanes and a colourful quay once painted by Boudin and Monet, now alive with galleries and cafés. A highlight comes as you sail the River Seine, winding past châteaux, quaint villages and rolling countryside towards Rouen, where Gothic spires and medieval stories abound.

AUTUMN FJORDS OF NORWAY

Borealis • 9 nights • 18th September 2027 • Sails from Liverpool

ADULTS ONLY

Experience an unforgettable journey through Norway's unspoilt fjords as the soft light of early autumn settles in. September's fresh air and ample daylight make it a wonderful time to explore, before the colder, darker days arrive. Glide along serene waterways including Romsdalsfjord, Nordfjord and Lustrafjord, where sheer mountains, tumbling waterfalls and forested slopes rise from still, glassy waters. You'll visit Skjolden, Norway's innermost cruise port and Olden, gateway to the striking Briksdal Glacier. There'll be chances to kayak on peaceful fjordland waters, ascend the Loen Skylift for panoramic views from over 1,000 metres high, or take a scenic ride on the Rauma Railway, winding past gorges, tumbling rivers and towering mountain walks.
